Western League Division 2

Cinderford Town 5 Chipping Sodbury 1

Cinderford could have scored ten

CHIPPING SODBURY provided weak opposition to Cinderford Town's Western League and although winning comfortably 5-1, Cinderford should easily have made it double figures.

Approach work by the forwards to the penalty area was excellent. Then, when confronted by the goalmouth, they shot anywhere, except between the sticks.

Out of some 20 scoring chances, five were accepted, five or six brilliantly saved by Brock, the visitors' goalkeeper, and the rest just fizzled out.

The few occasions on which the visitors got into the Town's half after the interval, were comfortably dealt with by a fine defence.

Buffrey, the Town's goalkeeper, penalised in his own area, brought off a magnificent save from the spot kick.

Useful Players

Chipping Sodbury have quite a number of useful players. May, at right back, came out evenly in his tussles with Roberts; Petit at centre half, fell back and put in some fine defensive work; their left winger, Nelson, although injured, required the attentions of Pringle. The centre forward, Harris, a dangerous man, was kept subdued by Murray.

The player of the match was their goalkeeper Brock, who undoubtedly saved them from a far heavier defeat.

Bridgwater Double

Bridgwater Town completed a double over Chipping Sodbury in the away game last Saturday, winning by three goals to one, compared with a 7-2 victory at home a fortnight previously. Bridgwater were leading 2-1 at the interval, Scott and Abbott scoring for the visitors, and Stone for the home side. In the second-half, from a pass by Russell, Abbott scored again.

BIDEFORD AHEAD IN 40 SECONDS

Bideford 4, Chipping Sodbury 3

TRAVELLING many miles on treacherous roads to play on a snow-bound pitch, Chipping Sodbury met defeat by 4-3 in the Second Division of the Western League at Bideford after putting up a strong fight.

Conditions deteriorated very badly towards the end of the game and pattern football was out of the question. Bideford had Yearling at centre-half for Rogers, who is suffering from a broken nose.

The first nine minutes provided thrills. Within 40 seconds Mustard put Bideford a goal up, but five minutes later Chipping Sodbury equalised through Harris. Only another three minutes elapsed before Robinson, the home leader, put his side ahead again, and Bideford held the whip hand up to the interval but missed chances and scored no further goals.

With the heavy going telling on the players, the pace slackened in the second half, but in the last 15 minutes the teams seemed to enjoy a new lease of life. Robinson got another goal, but immediately from the kick-off O'Connell went through to reduce the arrears. Five minutes from time Mustard scored another but again O'Connell promptly replied for the visitors.

Among the Bideford forwards, Mustard had a particularly good afternoon, and his two goals were the best of the match.

Hoffmann's attack needed more punch

NEITHER Hoffmanns nor Chipping Sodbury could feel very satisfied about their displays in the Western League match on the former's ground, for they gave comparatively lifeless exhibitions and each side lacked a sharpshooter.

Time and again the ball fell invitingly in front of each goal-mouth, but the forwards lacked the finishing touches and chances were thrown away.

Hoffmanns mainly because of better half-back play had a territorial advantage, but they did not press it home and it was the young Sodbury team, who like their opponents, are struggling for points near the bottom of the table, who scored first, Harris heading in an easy goal after 13 minutes play.

Hoffmanns did not get the equaliser until half way through the second half when Perrett scored direct from a corner kick, the ball swerving into the net.

The honours went to the defences, but Hoffmanns were a trifle unlucky not to win particularly as on one occasion Farley hit the upright with a header.
