CHIPPING SODBURY v. TROWBRIDGE TOWN RES.

Trowbridge Town included five of their newly-signed players in their side which visited Chipping Sodbury, and also several of last season's first team. Trowbridge Reserves won by the comfortable margin of 5-1, their side proving too strong for the less-experienced home side. Trowbridge were very strong at half-back, where Lovesey was outstanding, initiating numerous attacks. Hunt, in goal, saved his goal time after time from Webb, Greenland and Compton, before the first-named beat him after 20 minutes play. Then Lovesey got a second goal from a spectacular individual effort which started almost in mid-field. Lovesey has recaptured his old-time vigour and form, and all Trowbridge supporters are hoping he will escape anything like the injury which robbed the side of his services for so long last season.

A third goal to Trowbridge went to Hancock, at inside-left, who finished off a good effort by Hazell, who appeared to have got the ball over the goalline. The home side started the second half well and Webber scored a very good goal from outside right. But Trowbridge

soon regained their superiority, again through the constructiveness of their halves, and increased their lead through Compton and Lovesey. Green, in the Trowbridge goal, had a comparatively quiet afternoon.

CHIPPENHAM TOWN RES. 3,
 CHIPPING SODBURY 1

The Western League Division II match between Chippenham Town Res. and Chipping Sodbury at Hardenhuish Park was a drab affair, and it is not difficult to understand why Sodbury are at the bottom of the League table without a single point. Much of their midfield approach work was crude and aimless, and when they did get near goal the forwards had no idea of shooting. The Town Reserves, who struck one as a side of possibilities, started off well, but seemed to get down to the level of their opponents as the game progressed, although they deserved to win by a larger margin than three goals to one. Auchterlonie, on a month's trial from Bristol Rovers, is a nice ball player who serves up some shrewd passes, and Bowers, at left half for the Reserves, was as good as any player on view. Outstanding on the Chipping Sodbury side was goalkeeper Hunt, who dealt with shots rained on him from all angles. Thompson, at outside right, was Sodbury's best forward, with O'Connell having the best idea of where the goal was.

From the way the Reserves started off it looked as if there would be a goal-rush. Inside five minutes Auchterlonie completely beat Hunt with a clever lob under the bar, and then for a time Hunt defied the Reserves almost single-handed. Sodbury's most likely scoring effort of the first half was a header from O'Connell, which Blythe did well to clear. Right on the interval Chippenham were awarded a penalty for hands, and Monaghan gave Hunt no chance. In the second half full backs Pollinger and Drummond got in shots at Hunt, who brought off two very smart saves from McManus and Monaghan. In a Sodbury breakaway Webber beat Blythe with a surprise in-swing, and in the next minute Webber was very near with a header. Chippenham's third was scored by Main, following good work by Auchterlonie and McManus.

CLUB GOSSIP

At last the Club has achieved a resounding victory, perhaps all the sweeter for being so long delayed. Showing dash and determination the Reserves last Saturday swept to a 7-2 victory against Mardon St. Annes after being a goal down. Keep it up, Reserves.

As you all know by now, we hope, this Saturday's advertised game at home to Frome has had to be postponed as our opponents have a Cup commitment. In Frome's place we welcome the doughty opposition from Bideford, so far unbeaten, and an enjoyable game is a certainty. In addition this Saturday will see the official presentation to the Club by the Supporters Association of our magnificent new changing quarters — a ceremony without parallel in the history of the Club.

Please note that the Reserves match against Knighton has been brought forward to October 13th.

Congratulations to Mrs. White on having last week's lucky programme — No. 47.

TROWBRIDGE RES. 3, CHIPPING SODBURY 4

It was a disappointing "farewell" afternoon as team manager for Jim Paviour, who saw the Town's second string suffer another home reverse after missing enough scoring chances to have given them two points "on a plate." Jim, who resigned the team managership recently, is returning to London on Nov. 22nd, and expects to live at Leytonstone, whose soccer team he helped to win the Amateur Cup in 1948. The Reserves have yet to win a home match this season, while their opponents last Saturday had the pleasure of recording their first victory and, incidentally, avenging their home defeat by a stronger Trowbridge side earlier this season.

The Trowbridge forwards did not shoot far often enough, and their defenders, especially Crook at centre-half, were far too casual in clearing the ball from their goalmouth. The visitors started on the road to victory in 40 seconds, Stone heading through from a centre by right-winger P. Webber. The movement caught the home defence completely "at sea." A few minutes later, however, Satchell, promoted from the Colts XI, equalised with a well-placed low shot, and left-winger David Pyle (another Colt) gave the Town the lead when the visiting goalkeeper let the ball slip from his hands. Lyons missed two good chances by shooting wildly, but had hard luck from a free kick when the ball struck the crossbar. Prendergast equalised when Crook dallied with the ball only a few yards from goal. Early in the second half Satchell again put Trowbridge ahead, but they quickly lost it when goalkeeper Green lost the ball when attempting to bounce it—and Prendergast nipped up and scored. Stone gave the visitors the lead with a really fine first-time shot which gave Green no earthly chance of saving.

CLUB GOSSIP

Beaten but not disgraced, would adequately sum up the result of our clash with Ilfracombe. They were a strong forceful side with plenty of ability, and there is no doubt they are going to be somewhere very near the top of the League at the end of this season. In the atrocious weather prevailing they finished very strongly.

This brings us to a more serious note. It appeared to the writer that our boys were tiring in the second half, this is a factor which they can remedy only by concentrated training. "Physical Fitness" is the first essential to skilful Football, without it the standard of play of every player will deteriorate. This not only applies to Amateurs but to Professionals as well. You have all seen pictures of star professionals training religiously to regain Fitness, even after injuries. This well meant criticism is written to urge you boys to higher standards. Get fitter and go on the field to win, there has been very little difference between you and your past opponents from the point of view of skill.

We note with much satisfaction the continued success of our Suburban side, keep it up boys, we are patiently waiting to cheer you on to further success when you are next on the "Nottles".

Today we welcome Minehead and our team will be all out to gain those elusive points, "Who knows" it may be our lucky day.

Don't forget the "Cup tie" on the Nottles the following Saturday.

PEN PICTURE OF PLAYERS AND OFFICIALS

We introduce to you this week

ARTHUR THORNELL

Age 22 Height 5ft 8ins Weight 10 stone 6lbs

Arthur hails from Frampton Cotterell and joined our Club via Winterbourne. He served in the forces with "Reme" and played for his Battalion in representative Soccer matches.

He asked our Club to give him a trial in the Western League and his confidence was fully justified, as he is making splendid progress.

Well played Arthur.

FROME T. 5, CHIPPING SODBURY 0

Chipping Sodbury, who are having a fairly lean time at the bottom of the Western League, Division II, put up a much keener fight against Frome Town at Badger's Hill on Saturday than their defeat of 5-0 suggests. Frome had to be content with a goal lead at the interval. A free kick was awarded them outside the penalty area, and Bissex cracked the ball against the crossbar with a terrific shot. McGinley, a new centre-forward from the Warminster camp—playing his first game for Frome—gathered the rebound and easily beat the visiting keeper. A few minutes after the interval McGinley scored a second, and then Woolfrey added a third with a terrific shot. A penalty for hands brought Frome's fourth goal, Talbot scoring from the spot-kick—only the second successful penalty in 14 successive spot-kicks. McGinley brought his tally for the match to three in the last minute.
