CHAIRMAN'S WORDS

Firstly, a warm welcome to the players, officials and supporters of Bewdley Town. We hope you have had a safe journey and enjoy your afternoon with us.

Our start to the season has simply not been good enough.

Another defeat on Monday leaves us in a position none of us want to be in, and looking at the league table, everyone understands the importance of today's game.

Quite simply, this is a game we need to win.

The players and management team have our support, but results now have to improve and reflect the standards and ambitions of the club.

Hopefully today is the point where our season starts to turn.

Enjoy the game.

Up the Sods!

BACK IN TIME

In the summer of 1959 Cliff Phelps decided it was time football association football was brought back to the town after six long years since the boys of the town had donned the blue and white of Sodbury in the Western League. After several meetings at The Bell Inn the new club was formed. Major L.M. Harris was President, Mr. E Purbrick Chairman, Mr. C Phelps Vice Chairman, Club Captain Dennis Greenaway and Youth Captain Michael Boulton. In the initial 1959/60 season they entered a senior team into The Dursley & Wotton League and a team into the Youth section. The following season Sodbury joined the Bristol and District League and throughout the 60's remained in Division 3.

The 1970's began with relegation after finishing bottom of Division 3 and the slump continued with further relegation in the 1971/72 Season. The mid-70's saw a few changes with the foundations of the club as it is today being laid. Mike Fox became Player Manager and 'The Sods' added a Sunday side. In the 1976/77 season, a third place finish in Division 5 secured promotion and two years later they went one better finishing runners-up in Division 4. The decade finished off with more celebration as the 1979/80 3rd Division title was secured twenty years after the club's rebirth.

The 1980's began were the 70's left off and a fourth place finish gave Sodbury promotion to Bristol & District Division 1. 1981/82 saw the re-establishment of a Reserve side and by the end of the season, the First Team had gained a fifth promotion in six years to the Bristol & District Senior Division. Life in the Senior Division started with a mid-table finish and the end of the season saw Mike Fox's testimonial and an Ashton Gate appearance against Mangotsfield United. After finishing 15th in 1985/86 'The Sods' were relegated to Division 1, where they remained until finishing runners up in 1988/89.

The 1990's kicked off with a third place finish and promotion to the Bristol Premier Combination Division 1. In 1990/91 the new clubhouse and changing rooms were built with players and committee members contributing their trades. In 1992/93 a fourth place finish and the winning of the Premier Cup in 1992/93 became the club's best season. The club remained in Division 1 until the end of the nineties, when they were promoted to the Premier Division for the 1999/00.

After three seasons in the Premier Division, 'The Sods' tasted relegation and started 2002/03 with a change in management as ex-players Les Underdown and Jeff Clark took the reins. A mid-table finish in their first season, saw Les leave and Jeff take the hot seat and whilst he oversaw a similar league position there was better news for the Reserves as an exciting squad secured a league title.

2004/05 ended in a disappointing third place for the Sods but the club continued its expansion by adding a third team. And the previous seasons disappointment was all forgotten in 2005/06 with a championship win and promotion back to the Premier Division.

A good season for the club followed as the First Team finishing mid-table in the Premier Division and both the Reserves and Thirds winning promotion. More success was to follow in 2007/08 as the First Team clinched the Premier Division title and the Reserves became champions of Bristol & District Division 1. The first season in the Gloucester County started with a change of manager and finished with 'The Sods' propping up the league table after only five league wins however the club were given a relegation reprieve. Mark Stenner was appointed manager, and he provided stability in the County League.

The 2010's produced the club's most successful time in their history. Mark Stenner had taken the team to a third place finish in the County League in 2010/11 before being succeeded by Scott Gibson. A disappointing bottom place finish was followed by two seasons of rebuilding and climbing the before new manager Karl Reese took the club to the dizzy heights of Western League football in 2014/15 with a third place finish in his first season. Not a bad start for the new gaffer but it got even better when a combination of great football and some fresh faces delivered the Western League Division 1 Championship the following season. 2016/17 in the Western League Premier Division was challenging but the clubs most successful season so far ended with a very creditable 13th place finish whilst also competing in the F.A. Vase.

2017/18 was always going to be a tough mountain to climb. Karl Reese had departed along with half of the First Team. Enter new manager Neil Simons with a season in the Western League Premier to take on with and your first game is the clubs first ever game in the F.A. Cup. The season ended with a 13th place finish, an F.A Cup victory and a quarter final place in the GFA Challenge trophy.

Early in the 2018/19 Season Neil Simons decided to leave the club and shortly afterwards Joe White was appointed. The club finished the season in 10th and had the best F.A Cup run in the club's history. The club were then successful in their appeal against the Football Associations sideways move to the Hellenic League so another 2019/20 season in the Western League Premier beckoned but the uncertainty it created led to several players departing the club before a ball was kicked. Three weeks before the season started, Justin Bishop and Scott Gibson took caretaker control of side and remained in place until the League came to an abrupt halt as the F.A. announced on the 26th of March 2020 that the Step 1-7 game and all grassroots football leagues and competitions under its umbrella had ended as a result of the Coronavirus (COVID-19) pandemic. All results for the season would be expunged...

BACK IN TIME

The 2020's began with Jeff Roberts and his management steering the First Team, but the season was to be curtailed due to Covid-19. The 2021/22 season looked more promising with the new F.A. restructuring of the leagues; the football club then began their journey with Jeff and his team in the Hellenic League Premier Division. Towards the end of the 2022/23 season a new First Team manager, James Mapstone was onboard, but it was to finish with relegation from the Hellenic League Premier Division.

2023/2024 in Hellenic League Division One showed signs of promise with new players joining the squad. With a good pre-season under the belt there was plenty of optimism, but football has a way of knocking you back and the team picked up injuries to key players which they never recovered from. After a bad run of results and players leaving the club, it was time for another change with Wicks manager, Kevin Ashwood joining the club, supported by James Mapstone and his own backroom team. Despite an influx of new players, the team finished in the drop zone only to be spared relegation due to other club movements.

The 2024/25 season was more successful as manager; Kevin Ashwood assembled a good crop of young but inexperienced players at Step 6 level. Despite playing some good football the deserved results never came. Following Kevins departure, Jeff Roberts who had earlier rejoined the club in a supporting role took on the managers role once again. The team rallied and climbed to a 10th place finish.

Ahead of the 2024/25 season the club added an Over 35 Veterans side and an Under 14's team as part of a longer-term strategy to build a youth to senior pathway. The Vets would go onto to earn a first season promotion whilst the U14's secured a superb league and cup double.

The 2025/26 season was another tinged with disappointment as a youthful Sodbury squad offered plenty of encouragement but ultimately stumbled at key stages, eventually finishing 13th in Hellenic League Division One. But there was further success for the now Under 15's with a second consecutive league and cup double.

In the early part of 2026, there was also the exciting announcement of a partnership-come-merger with near neighbours St Nicholas Youth FC bringing together two great clubs with over 50 teams and 800 players. The main ambition is to deliver an all-weather, 3G facility at The Ridings to meet the growing needs of players, coaches, and supporters.

Off the pitch there has been a great deal of work put in over the last couple of seasons by a very loyal group of volunteers and partners they strive to improve every aspect of club. It is because of these fantastic people that we continue to write the clubs history whilst ensuring it serves the wider community.

With a new season comes plenty of excitement and determination and we hope to have plenty more to celebrate come April 2027.

OUR VISITORS

Bewdley Town Football Club, as it is now known, was formed in 1978, following over 90 years competing under various local names, one of which has been resurrected recently by the youth section as Bewdley Comrades.

The club was formed with the merger of two local teams , Bewdley Old Boys F.C and Woodcolliers FC, the latter who played on a Sunday and both originally playing at Gardeners Meadow in Bewdley. The ground at Gardeners Meadow was sold for re-development which meant the club had to seek a new venue and moved temporarily to Kidderminster. A massive fundraising project commenced, which enabled the club to purchase land and return to Bewdley, to their home Ribbesford Meadows under the guidance of Robert Burns.

After playing in the Kidderminster and District Leagues, the main senior side under the management of Craig Payton and Chairman Geoff Edwards, joined in 1999, the West Midlands Regional League Division One South. Prior to this Ribbesford Meadows had been an on going project, providing football facilities for all ages including, youth football in the Stourport and District League and Midlands Floodlit League, adult football in the Kidderminster and District League, and can boast being one of the first clubs in Worcestershire in 1993 under FA Coach Chris Middleton to start a Mini Soccer Centre. This centre is still in operation, and draws children of all abilities from the age of 4, from all areas of the Wyre Forest region, under the expert tuition of FA Coach Wayne Payton and co-ordinator Jo Payton, and their team of qualified coaches.

In 2005, Bewdley Town finished runners up in Division 1 and gained promotion to the West Midlands Premier League,

In 2005, Bewdley Town finished runners up in Division 1 and gained promotion to the West Midlands Premier League, however in order for them to compete at this level, they had to rent the facilities of near rivals Stourport Swifts. In 2006 permission was granted to build stands and erect floodlights, and in their second season, finished third in the league, having lead for much of it, only being thwarted from possibly winning the league, by bad floods meaning them having to play a large number of games in a short period at the end of the season eventually having its toll on the players, if they had won the league however, they would not have been granted promotion due to the on going development of the ground not being completed.

In 2007-8 the ground had been given a higher rating allowing them to compete in matches at a higher level and gain promotion if they finished in any of the top places. Bewdley Town FC also made history in this season, when they were allowed to enter the F.A. Vase for the first time, where they reached the third round proper, losing to higher ranked opposition Coventry Sphinx. The following season saw Bewdley make their appearance in the FA Cup, although short lived, when they lost at home to Midland Alliance side Alvechurch FC.

The last few seasons, have seen Bewdley Town, under the guidance of joint managers Craig Payton and Brian Lacey, become one of the top sides in the West Midlands Regional League. Their attractive style of football has made them one of the hardest sides to beat, and one which has attracted supporters from all over the country.

Work is on going at Ribbesford Meadows, as the committee and loyal band of volunteers continue to develop the ground for higher levels of competition. Their hard work and achievement, was recently recognised by an award from "Groundtastic Magazine" for the best stand in the lower levels of non league football and narrowly missed winning best ground in the same category, they have recently attained the necessary grading to allow them to proceed up the non league ladder...

OUR VISITORS

[continued...] The 2008/09 season saw Bewdley Town reach the final of the Worcestershire Senior Urn, losing narrowly to Midland Football Alliance side Studley 3-2 at Aggborough, although many thought they were unlucky to do so. However two years later in the 2010/11 season, they gained their revenge beating Studley 2-1 in front of a crowd of over 500.

The 2011-12 season saw Bewdley become a strong cup side, they again reached the final of the Worcestershire Senior Urn, where they retained the trophy, once again in front of a 500+ crowd beating Alvechurch FC from the Midland Football Alliance, coming from a goal down to win 3-2. They also nearly caused an upset in the FA Cup, where after progressing through to the 2nd Qualifying round, they very nearly claimed the scalp of Evostik Southern Premier League side Stourbridge, leading 1-0 with 13 minutes of the game left, but eventually losing 2-1, their victors progressed through to the 2nd round proper.

In the 2011/12 season saw Bewdley Town enter a team in the new Under 21 league of the Midland Combination, the first season saw them finish a creditable 4th place in a strong league with a number of academy sides. Season 2012/13 also begins a new chapter, with a new Under 18's and our Under 14's entering the Midland Junior Premier League, playing on Saturday mornings, where, very much like the Under 21's, the competition will be against strong academy sides. The introduction of these teams bodes well for the future of Bewdley Town FC, with a direct route now through from Youth to 1st XI football and beyond, which the club has continued to pursue since the introduction of the Mini Kickers.

Bewdley Town were awarded the Charter Standard Adult Status in April 2012 and together with their successful Youth Section, are striving towards Community Club Status.

At the end of 2012/13 season, Bewdley added to the trophy cabinet by winning both the Worcestershire Infirmary Charity Senior and Junior Cups with the 1st team beating Malvern Town 4-3 and the Under 21 beating the same opponents 2-1.

May 2014 saw an era come to an end, when joint managers Craig Payton and Brian Lacey decided to retire. The position of 1st team manager was handed over to the vastly experienced Phil Mullen with former Kidderminster Harriers striker Paul "Ocker" Davies as his number 2.

The 2014-15 season was a struggle for the new look Town, as, not only did the club have new managers, but also had a new team, with a number of the "older heads" deciding to retire, leaving Phil no option but to look to youth. Town finished the season in 17th position, well clear of relegation, but the final game of the season saw them regain the Worcestershire Infirmary Charity Senior Cup with a 1-0 win again at Malvern Town.

The 2016-17 season saw the reintroduction of a second team, having been accepted by the West Midlands Regional

League, they will compete in Division 2. The team will be under the joint leadership of Wayne Payton and Russ Godfrey giving a much needed link from the youth section to adult football.

This season saw the club enter and win the Smedley Crooke Charity Cup with a victory on penalties against Coton Green. The 1st team finished in a creditable 6th position in the league having been as low as 17th at the beginning of January, the Reserves in their 1st season finished 14th.

During the close season, the club also obtained an FA grant enabling them to have major drainage work done to the main pitch, hopefully this will mean no mid season break due to waterlogging as has happened in previous years.

The 2019-20 season although wiped out through the coronavirus pandemic would have been a successful one for the club, as at the time the season was curtailed, the 1st team were sitting second in the league and very close to promotion to the 5th tier of the non league pyramid.

The season was also blighted by some of the most severe flooding in the area, which effected large portions of the pitches and surrounding area's. Thanks to funding from the Football Foundation, local grants and the generosity of supporters, the club were able to carry out extensive work including new fencing, a new block toilet facility and numerous other changes to the facilities.

The new season 2020-21 has seen the reintroduction of the Under 21 team which will be playing in The Midland Football League U21 West division under the stewardship of Phil Gates, this once again provides the link between junior football and senior and can only be good for the future of Bewdley Town Football Club. For the season 2021-22 the Under 21's became the Reserve team and entered the MFL Division 4 / Reserve league.

The 2020-21 season followed the same fate as that of the previous season being curtailed by the pandemic. However, Bewdley had a great run in the FA Vase reaching the 2nd round proper for the 1st time in their history unfortunately losing 3-1 away to Radford FC. Due to their cup run and a number of games effected by Coronavirus, the 1st team only managed to play 4 league games, however the restructuring of the non league pyramid went ahead, their record was added to that of the previous season, and with a superior points per game record, were promoted to the 5th tier for season 2021-22 into The Midland Football League, where a number of mouth watering "derby" ties would be available, including near neighbours Stourport Swifts.

The 2022-23 season saw further changes for the football club. The management team of Phil Mullen and Paul Davies decided to stand down with Phil taking on the role of General Manager, in charge of all footballing activities within the club and also helping more with the Committee in ground improvements. The managers role was taken up by...

OUR VISITORS

[continued...] former Wolverhampton Wanderers player Chris Cornes assisted by former Kidderminster Harriers and Stourbridge local lad Ryan Rowe, their task in their first season was simple, keep the club in the MFL Premier league, which they did. Other changes saw the Reserve team appoint a new manager with former Bewdley Town player Sam Woodhouse taking over, this also saw the return to the West Midlands Regional League, once again reacquainting the club with a league held in great affection with many. Another big and important change saw a new team join the ranks with the formation of Bewdley Town Ladies FC under the management team of Tim Rudd and Matt Preece, they entered the West Midlands Regional Womens League and carry the great name of Bewdley Town FC into a whole new world within football in the Midlands region.
